**FROM THE PRESIDENT:**

Merry Christmas, Happy Hanukah, and Holiday Greetings!

As we come to the close of another year, I would like to once again thank the HPS Board members and several members who have donated their time and expertise to keep HPS running smoothly, and who put their energy into keeping things entertaining and educational. I am unable to attend this year's annual Year End Banquet and Awards Presentation to thank these individuals in person, but I ask you to recognize each one and show your appreciation for their contributions.

**Walt Schumacher**, Programs VP and Webmaster: Walt will be leaving the VP position, but maintaining his post of Webmaster. He has put in a lot of time to bring you great programs during his tenure. From travelogues to Photoshop to Shootouts to techniques to so much more, Walt made sure we had a selection of presentations that covered a wide variety of photographic topics and skill levels. He works hard at keeping our Web site up to date, loaded with information, and looking good. Remember to send him any links or information you think would be of interest to the photographic community.

**Sharon Callahan**, Competitions VP: Sharon took on the daunting task of running the monthly competitions as a new comer. She has shown great enthusiasm and dedication to getting a variety of interesting and talented people to judge. On top of everything else, she volunteered to organize the year-end banquet! Remember to help out on competition night with the passing and displaying of the prints. Sharon also will be leaving us in the middle of next year. She will be getting married and leaving the area. We will miss her greatly, but wish her all the best in her new life!

**Robert Schuffert**, Activities VP: Robert has taken us on some exciting tours around Alabama and Tennessee. He has been able to get us into areas we might not have found or been able to have access to on an individual basis. He also has readily shared his knowledge and skills to help each participant. He also teaches photography classes locally. I want to remind everyone that Robert doesn't need to lead every activity; he is the key coordinator to get information out to members and on our calendar of events. Please give your field trip and workshop ideas (or volunteer

to lead one!) to Robert so we can continue with this new and educational area.

**Sam Tumminello**, Publicity: Sam has done a fantastic job of spreading the word to the community and surrounding areas about HPS. He contacted many public calendar sponsors and free advertising organizations. We have had many visitors and obtained new members due to his diligent efforts to promote our organization. This is a direct result of the time and effort Sam has put into this position. He also is our liaison with The Arts Council. Sam also tracked down all of our material assets and made a log of where each item is located.

**Rick Kress**, Newsletter Editor and Digital Competitions Secretary: Rick also is leaving his post of Editor; but he will continue running the digital section of our competitions. Rick has done an excellent job of putting together the newsletter and getting special notices out to members. He has done an extraordinary job of and put a great amount of effort into the new digital section of our competitions. He headed the digital rules committee (coming up with most of the specifications), put in place the on-line judging process and gallery, and developed the presentation program to display the images at each meeting.

**Dave McGuiness**, Treasurer: Dave does a great job managing our money and memberships. He always has the best interest of the Society in mind when we are discussing purchases and distributions of our funds. Be sure to pay your dues for 2008 before the end of the year to get a \$2 discount! Dave also built our light box used for the print competition, (with the help of Don Bennett), and sets it up each competition meeting.

**Lee Pratt**, PSA Representative: Lee is best known for his annual October presentation of the results of the PSA Stereo Sequence Competition. This is where we get to wear the funny glasses and see great mini programs from around the world. Lee also is the Competition Chairman for this activity, and recruits three HPS members to judge each June (if you're lucky, there is chocolate!). We only have a few PSA members, but starting in 2008 we will be reporting more about PSA activities in the newsletter. See Lee if you have any questions about PSA and how it may fit into your photographic lifestyle. Also, if you are thinking about trying stereo (3-D), Lee is the person to see.

**David and Carol Blue**, Competitions Secretary: David and Carol maintain the competitions database, which includes the monthly points, overall to-date point accumulation, competition levels, and year-end awards. It is with their great organizational skills and attention to detail that keeps our records straight. If you have any questions about your current point standings, see Carol or David.

**Joe Boyd**, Past President: Joe continues to have input and help guide the Society with his experience. As much as he probably wants to just sit back and relax, we won't let him!

**Jerry Green**, Mentor Program Coordinator: Jerry presented a great idea at one of the Member Forum Nights that received great enthusiasm from the attending members: a mentor-student program. He enlisted the help of several HPS members to be mentors in many areas and has advertised for members who want extra help or advice to contact him to be matched with a mentor. We have mentors skilled in techniques and equipment.

**Barbara Staggs**, Enthusiastic Volunteer: Barbara is our usual banquet coordinator, and will be assisting Sharon this year. A woman of many talents, she has presented programs, taught classes, and brings many activity ideas to the Society. She is always ready to pitch in to help to keep the Society running smooth.

**Diane Holderfield**, Enthusiastic Volunteer: Diane has presented several great ideas to the Society. She made the initial contact with Costco to see if they were interested in sponsoring or working with HPS (it is now in the hands of the president to move forward with this item). She also organized the alternative meeting place for the first November meeting...a venue that worked out wonderfully. She also is a regular at pitching in on competition night to pass or display prints.

As for me, Andrea Shetley, President, I would like to thank all of these volunteers for a job well done! Since (again) no one challenged me for my position, I will continue to be president in the best capacity I can. I am often out of town on

business travel; but I am fortunate to have a supportive and skilled team of individuals to assist me, and an organization full of enthusiastic and talented members who pitch in when needed. I couldn't do it without your help!

I also would like to welcome to the 2008 HPS Board Jerry Green, VP Programs; Joy Henderson, VP Competitions; and Geri Reddy, Newsletter Editor.

Be ready for next year! If you do not have the competition topics, see Rick Kress or Sharon Callahan. Please complete the survey so we know what you would like to see in the Society. Your comments and ideas are essential to making this the best organization we can. You also are always welcome to contact me directly with any questions, comments, or suggestions at any time.

I wish everyone a safe and happy holiday season, and good luck at the end of year competition!

Andrea L. Shetley  
HPS President

**FROM THE EDITOR:**

Just wanted to say a few words before exiting the podium. It's been a rewarding three years doing the newsletter and I want to thank all those people that helped me and submitted articles and information. The newsletters would have been a lot thinner without them! Please continue your support for the incoming editor, Geri Reddy. Thank you Geri for stepping up and helping out the club. I know you'll do a great job.

January 12 to 19, 2008  
Pigeon Forge, Tennessee  
[www.mypigeonforge.com/winterfest-wilderness.asp](http://www.mypigeonforge.com/winterfest-wilderness.asp)

This is a must-see event. Nine days of entertainment, learning, and activities celebrating the great outdoors...and it's FREE! There are hikes; photography classes and workshops; photography competition; presentations on birds, bears, endangered and extinct species, rocks, and wildflowers; a trade show; and so much more! HPS President, Andrea Shetley, will be presenting several photography and computer programs and workshops. Long-time HPS guest presenters, Tom and Pat Cory, also will be there. You will not find this much talent and information for FREE anywhere else!

**MEMBER INFO:**

Congratulations to HPS member **Diana Lyn Davidson** for winning first place in the Third Annual Photography Competition at Panoply 2007. Her winning photograph is of a contestant in the Official Alabama State Fiddling Championship. The winning picture was recently published on the cover of the November 1 Valley Planet paper. HPS members also took 2nd and 3rd place in the contest. **Richard Clary** took second and **Sue Zupko** took third
