Big Thanks to Jorn

We would like to thank Jorn Rennhack for his efforts on his presentation of Computers & Photography as well as tackling the responsibility of coordinating the photo exchange with the german photography.

Wes Swift met with Jorn just before he returned to Germany. He expressed his deep satisfaction in being part of our society, and a little sadness in leaving. He also left a few photos for the next competition, so ,in a way, he will be with us for a bit longer.

Jorn also passed on the box of recently returned exchange photos complete with translated and compiled comments from our friends in Germany.

June Program is May Competition

The May competition meeting that would normally be scheduled for May 25th (Memorial Day) will be held in the place of the June Program meeting, June 8th.

Board Meeting

The HPS officers are asked to attend the Board Meeting, 6:30 p.m. before the June 8th meeting.

Words from the President

Well spring is almost over and summer is just around the corner. I guess that means vacations for some or maybe just more time spent outside. Whatever you do this summer be sure that it includes photography. It is a great time to catch people outside both young and old, working and/or playing; and to help with landscapes this month's "Outdoor Photography" magazine has some interesting tips - be sure to look for it at the newsstand. Don't forget about this month's competitions - first theme: "Children", then Soft Impressions.

Display Opportunity

The HPS board would like to present the following idea to the members: To provide an opportunity for the citizens of Huntsville to view the photographic works by the members of HPS, at the Mayor's gallery, for thirty days beginning August 1, 1998.

Coordinator for this project is Sam Tumminello, Past President, HPS, 851-1002 [tumminello@ppg.com] Sam will have the first sign-up sheet available at the June 8th meeting. The photographs will be on display for public viewing of the exhibition during normal office hours. The Mayor's Office will remove and store their current photographs to allow space for the exhibition. All submissions will be hung at the discretion of the HPS Board and the Mayor's office administration and will be according to community standards. Prints are to be matted and framed, uni-frames are allowed. The theme is to be: "Views of Huntsville". The subject matter is open and should display some relation to people, places, events, scenes, or objects photographed in Huntsville. The description placard should state the relationship.

We have arranged for HPS to hang their pictures on Saturday, August 1st beginning at 10 AM for approx. two hours. The print removal date is Tuesday, September 1st, 1998 after 5:00 PM

Because space is very limited, the prints must be hung at one level viewing height; no over or under pieces will be allowed. Any HPS member, who has paid their 1998 dues may hang at least one print; more as space permits. To participate the member must be signed-up by the 1st meeting in July (7/13/98).
