FROM THE PRESIDENT:

Our thanks to Tom and Pat Cory for a wonderful presentation on travel and marketing images. It's always a pleasure to see their work and the presentation was inspiring and informative, as always. Thanks to Bernd Billmeyer for his judging of the Open category in September. His insights to the images that placed were food for thought.

Robert Schuffert, our newsletter editor, has written and published a lavishly illustrated and informative book entitled "Scenic North Alabama". It's a great resource for finding out-of-the-way photographic locations across North Alabama. He will be selling the book at HPS meetings, as well as several retail locations across North Alabama. Robert has generously offered to donate a portion of the sale of the book at HPS meetings to the Society. Please do look it over and purchase a copy.

The end of the year is approaching bringing a couple of annual HPS activities. The annual banquet to honor the best of the year will be held on December 8. We'll be organizing another buffet dinner to precede the awards ceremony. The images are always a treat to see, so please keep the date open. As we approach the new year, some members of our board will be stepping down after putting in a great effort to make the Society informative, entertaining, and productive for the members. If you think you might be interested in taking a more active role in the Society by becoming a board member, please contact one of the board members.

Keep Shooting!
Joe
