FROM THE PRESIDENT:

Congratulations to all the winners in the Best of Year competition. The print and slide winners from the year always make for a wonderful presentation, and this year didn't disappoint. Our thanks to our judges, Julie Gary, Lankin Boyd, and Barbara Staggs for Black & White prints, Color prints, and Slides, respectively. It's always a difficult selection to pick the best of the best, and they did a great job. Thanks to Tricia Hyde for organizing the wonderful dinner from Lawler's. Thanks to Sam Fara for organizing the Best of Year Competition.

Charlie Siefreid will present our January program. Charlie's vast experience with a variety of formats and lighting techniques always make for an educational and inspiring program. We're very happy to have Charlie back with us again.

New Board Members

I'd like to thank and welcome Walt Schumacher and Rick Kress as our Vice President for Programs and Newsletter Editor, respectively. Walt and Rick bring good experience to these positions and will be a real asset to the board and Society. If you have any suggestions or ideas for future programs contact Walt. Rick will be working with Robert Schuffert to get this Newsletter out, and looks for any constructive comments on improving the Newsletter.

Dues Due

Dues for 2005 are due. They are \$20 for an individual or family. Please see Bill Gates about paying your dues. As a reminder, competitions are only open to current members.

Southerland's Top Ten

We'd like to thank Malcolm and Betsy Tarkington of Southerland's Photo for all of the support they have shown over the past years in sponsoring the Top Ten in competition points. Regrettably, they won't be able to sponsor the Top Ten for 2005. We encourage all of our members to continue to support this locally owned and operated photo supply company that are integral to photography in Huntsville. Thanks Malcolm and Betsy!
Joe Boyd

Just because the first letter is out, doesn't mean I still won't be calling you. I also wanted to thank everyone for their many words of appreciation, encouragement and support. I'm

OF INTEREST - TRIPS:

- **Sequoyah Caverns Trip**
Basically, we will go into the caverns for two hours to take photos (yes, tripods are allowed). The time will be after they give regular tours, so we will have the caverns to ourselves. The total cost is \$200. The first 19 people (I will be #20) who sign up and pay me their \$10 will get to go. If twenty don't sign up, then each individual will have to contribute enough to make up the difference. I'm sorry, but moneys can't be returned if you can't make the trip unless you can find another interested, paying customer. I don't think this will be a problem, though. Many have expressed interest and people have been trying to give me money already.

I'm also planning to make a day trip of it for those interested. We will likely go to DeSoto State Park and/or Little River Canyon. Those who are not interested in the day trip can meet us at the caverns at the set date and time.

The date and time for the photography trip into the caverns is Saturday, February 19, 2005 at 5:00 p.m. Details of the day trip will be forthcoming after I talk to those interested. I will begin signups at the first meeting of HPS after this newsletter is sent to everyone and will continue at meetings thereafter until 19 others have signed on the dotted line. If you are interested, I suggest you signup as soon as possible. I will have a signup sheet asking for several things such as name, e-mail address, phone, and interest in attending the day trip. Once folks are signed up, I will contact those interested in the day trip to find out their preferences and then inform all of our plans. If there is enough interest I will coordinate another trip into the caverns later in the year.

It's going to be a lot of fun. I'm looking forward to the great photos that will result and I'm sure some will win future competitions. Take care,
Bill Gates
