FROM THE PRESIDENT:

Our thanks to Garth Frazier for an insightful presentation on utilizing a variety of techniques to develop a personal style. The presentation provided the group with a variety of techniques to develop a vision for their work. Also thanks to Tony Triolla for his help in judging the People at Play competition. Tony's critique of the images that placed gave valuable guidance for selecting images to enter into competition.

The competition topic for September is Open. Winners in this category have typically included a strong sense of design, a story to tell, or a unique perspective, executed in a technically strong manner.

Keep Shooting!

Joe Boyd

FROM THE VICE PRESIDENT:

Hey All!

Sorry I will miss our program with the Cory's' this month. I will be taking a short trip with my husband who is finally recovering from his leg injury. This will be the first real time we have had away since early spring. I am certain the program the Cory's have planned will be a great one. I hear they have had huge success with their photography on recent trips. Make plans to attend and be prepared for some fresh insight on digital photography.

Please keep Trisha Hyde in your thoughts as she recovers from her recent surgery. I spoke with her and all seems to be going well. She plans to be back soon.

It is also not too early to begin thinking about becoming an officer in HPS for 2004. If you need more info please contact any current officer for details.

Keep Shooting!
Sheila
