700 Monroe St.
Huntsville, Alabama 35801

***You are invited to join us for many educational and
entertaining activities and opportunities.***

PROGRAMS

At the first meeting of each month (second Monday), HPS invites a speaker to give a presentation in some area of photography. This includes techniques, equipment, travelogues, digital photography, electronic imaging, and computer software.

COMPETITIONS

The second meeting of the month (fourth Monday), is the monthly competition. The judge may be a non-competing HPS member or someone involved in the field of art or photography in the community. The categories are monochrome prints, color prints, and slides. Digital images are permitted. Each month is a theme or open topic. Awards and points are given at each competition. Points are tallied at the end of the year for awards. Earn proficiency levels from year to year.

MONTHLY NEWSLETTER

Our monthly newsletter, *The Leader*, is full of interesting information, local news, Web site links, competition results, and announcements. Members are encouraged to submit articles.

FIELD TRIPS

HPS members lead field trips to various places in northern Alabama, southern Tennessee, and beyond. They present many photographic opportunities, including wildflowers, waterfalls, wildlife, gardens, scenics and landscapes, and architecture. We have several members who can help with species identification. This is a great learning experience!

WORKSHOPS

Workshops are offered throughout the year. HPS members can make the most of their membership by attending these special club activities. Topics include lighting, techniques, and software.

DISCOUNTS

HPS members get discounts at participating retailers around town. Keep your HPS membership card handy!

EXHIBITS

HPS members have the opportunity to participate in club exhibits throughout the year at various places in the surrounding area. This is an excellent way to get your work in front of the public and share your photographic vision!
